Personal responsibility of disbursing officers in respect of expenditure incurred without sanctioned estimates or in excess of estimates.

1. Under para 684 (*a*), Mysore P. W. Account Code, expenditure incurred without adequate authority or in excess of sanction is required to be placed under objection in audit and included in the monthly statements of objections and in the annual Audit and Appropriation reports. "Expenditure incurred without adequate authority" is taken to include all expenditure not covered by sanctioned estimates. From a review of the outstanding items in the objection statements, it is seen that in several instances works have been started on account of urgency or other special circumstances in anticipation of sanctioned estimates under orders of competent authority and that estimates, original or revised, are awaiting sanction.
